Trafford Alternative Education Provision

Our Mission Statement:

Trafford Alternative Education Provision is committed to providing....

A 21st Century education that promotes the academic, emotional and social development of our students. Our aim is to create a holistic, nurturing and inspiring environment where students are supported and encouraged to take charge of their lives, their learning and their decisions. Every student will have an understanding of their personal journey, challenges and future opportunities. All will be encouraged to become independent thinkers and learn to value and respect others thus enabling them to meet the challenges of the wider world. In partnership with parents, carers, schools and outside agencies we will provide students and staff with a positive and supportive learning experience.

We will achieve our vision by constantly thinking about the bigger picture, working as one team, valuing our staff and their continual development and by frequently reviewing, debating and developing the curriculum.

1. Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

The school supports any available partnerships to develop and implement the plan.

Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, this procedure sets out the process for raising these concerns.

2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy complies with our funding agreement and articles of association.

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.
