This handbook aims to give you a guide to Trafford Alternative Education Provision. We know some things about the school can be a bit of a mystery to parents/carers new to the school. We hope that it provides you with all the information that you need to help you settle in as a parent or carer at TAEP. Please let us know if you have other questions.

School Address:	Trafford Alternative Education Provision Brentwood Avenue Timperley Altrincham WA14 1SR
-----------------	--

At TAEP we believe that communication with parents/carers is so important to ensure children make the best progress possible and feel safe and happy in school.

What is Class Dojo?

Class Dojo is a digital classroom management tool designed to help our teachers and school communicate more effectively with parents. It connects teachers with our pupils and parents to build amazing classroom communities.

Class Dojo is a great way for you to keep up to date with your child's class activities and school events.

Each pupil gets an avatar and teacher's award dojo reward points for things such as, participating in class, staying on task, completing good work, etc. Teachers can use a tablet or computer to give points throughout the school day. Each pupil's points can be displayed via a smart board, and parents, via their app, can see these. Teachers can communicate with parents on a 1:1 messaging service or via the class page where general class messages can be shared or via the whole school page.

Communication

Class Dojo also includes a messaging service. The messaging within Class Dojo is a great way to contact the class teacher and discuss any issues that may arise or to ask any questions you have. News and events will also be posted on the School story, along with TAEP Mail and letters..

We would still urge you to contact TAEP via the school office if the message is urgent as we cannot guarantee the teacher will see the message straight away.

School Story

This gives you information about what is happening in school on a day to day basis. It may alert you to events i.e. parents' evening, or special events, or it may alert you to an issue you need to be aware of or it may just celebrate something exciting that is happening in our school.

4. Pastoral Information

Central to TAEP's ethos is a high quality of pastoral care; it underpins everything that we do and, alongside high-quality teaching and learning, is what ensures the success and personal development of the children in our care, so they flourish academically and socially.

Students are encouraged to think for themselves and develop a sense of achievement and independence, whilst we work to ensure each child feels valued, happy, secure, and confident. We focus on the spiritual, mental, and physical well-being of each child at all times, ensuring a safe and supportive environment in which they will thrive. We encourage our pupils to respect the varied attitude and beliefs of others whilst developing as individuals.

At TAEP we believe that our students need to feel motivated encouraged and supported. TAEP is a community in which behaviour is based on praise, mutual respect, nurture, and appreciation of others. It is when a student has good self-esteem and believes in their ability to grow their skills and talents that they can realise their potential.

The class teacher and teaching assistants assistant who know each child well are responsible for the care of the students in their class. High level behaviour problems are referred to the Executive Headteacher, Deputy Headteacher or Deputy, in consultation with the Form Tutors. Trafford Alternative Education Provision has developed a School Code which is based on the behaviours we

expect. A consistent approach to behaviour management and negative behaviour keeps problems to a minimum.

Understanding challenging behaviour

Students with complex needs have many unmet needs and often find it difficult to express them. Unexpressed needs can result in a person being perceived as having challenging behaviour

Understanding behaviour - three approaches

There are three approaches to understanding behaviour:

- The internal approach views the behaviour as originating from the individual, including mood, mental health and character.
- The external approach views the behaviour as a result of the environment, including the physical environment (such as noise levels) and the systemic environmental (such as policy and procedures, staff-to-client ratio, work culture, and level of freedom for clients).
- The interactional approach considers the interaction of both internal and external factors. This approach looks at the interactions among staff, students, and the environment and tends to prioritise an examination of the function of the behaviour

We are a caring and nurturing school and view cases on an individual basis. However, fixed-term exclusion may be imposed in rare cases of persistent and serious negative behaviour.

5. SEND

Students on a step out placement at Trafford High School or educated in Trafford Medical Education Service have a mainstream school where they are on roll. Any queries or requests regarding SEND should be made to the SENDCO at the mainstream school where they are on roll.

Students who are on roll singularly at Trafford Alternative Education should make all queries regarding SEND to Hayley Blane, our SENDCo. Her contact details are:

[Email: Hayley.blane@trafford.gov.uk](mailto:Hayley.blane@trafford.gov.uk)

Telephone: 0161-9121479

Your child will be screened for a range of SEND needs on entry and these results will be shared with you. If your child scores lower than the expected level for their

age, you will be informed and they will be placed on the SEND list within school and offered intervention sessions.

Some students may be referred to Educational Psychology or an Education Health and Care Plan application may be made. You will be contacted for consent if this applies to your child. This is also the case for assessment for ADHD or Autism. If you are concerned about your child having any of these needs, you should contact the school SENDCo, Hayley Blane.

THE FOLLOWING ITEMS ARE NOT PERMITTED

10. Security of Personal Belongings

Personal belongings are the responsibility of the owner. Please do not bring expensive items or large amounts of money to the school. If anything is lost or stolen during a lesson; it is the responsibility of the owner. School staff members accept no responsibility for lost or stolen items/money. If a student has to bring a valuable item into the school, e.g. mobile phone, it should be stored in their locker for safekeeping.

11. Use of Mobile Phones

Students are not allowed to have their mobile phones with them in class and lessons under any circumstance. A student will not be allowed to enter a lesson if they have not handed the item to a member of staff for safe keeping first. Urgent calls to parents/carers will be made on behalf of a student by school staff.

Please note that staff members are not permitted to allow students to use school phones for personal calls.

12. PE Kit

All students are required to wear suitable PE clothing for sessions.

- T-shirt
- Tracksuit bottoms/shorts
- Trainers

For Outdoor Education students must wear appropriate clothing.

13. Attendance and Punctuality

Making sure your son/daughter goes to school every day is essential for them to achieve both academic and personal success.

- Authorised Absence

Only school can authorise a child's absence. If your child is too ill to attend lessons, please contact school on 0161 912 1479 before 8.45 am and contact the school for every day of absence. Failure to attend without notification or a valid reason is recorded as an unauthorised absence. If the school believes that non-attendance has become an issue the Pastoral Officer will be in touch with you.

Any appointment e.g. dentist should be made outside of lesson times. However, if there is a need to attend an appointment during lesson time, this will count as an authorised absence provided confirmation is received from a parent/carer.

- Holidays during Half Term

Parents have no lawful right to take their children on holiday during school term time. It interrupts the flow of learning for the child. The school will only allow it in exceptional circumstances. An application in writing must be made at least four weeks before the proposed holiday for the school to consider. Failure to submit an application will result in a Penalty Notice.

- Tips for Good Attendance

You must make sure your child attends school **on time every day**. It is their right and **your responsibility**. The following advice will help:

- Make sure that your child understands the benefits of regular attendance and set them a goal.
- If your child is too ill to go to school, tell the school as soon as possible on the first day of absence and contact the school every day of absence.
- Make all appointments for the doctor, dentist, optician, etc. after school hours or during the school holiday where possible.

- Punctuality

All students must arrive at school at 8.45 am for registration. Students who arrived after 9.00 am will be given a late mark.

14. Dealing with Bullying

We want everyone at Trafford Alternative Education Provision to feel safe and secure. No one should feel threatened or unsafe in any way. Bullying can take the form of verbal abuse, physical abuse, or abuse using social media.

As a parent, we ask that you:

- Look for unusual behaviour. For example, your child may suddenly not wish to attend school or not complete work to their normal standard.
- Always take an active role in your child's education. Enquire how their day has gone, who they have spent their time with, how lunchtime was spent etc.
- If you feel that your child may be a victim of bullying behaviour inform school immediately. Your complaint will be taken seriously and appropriate action will follow.
- Make sure that your child knows that there is a school policy concerning bullying and that they need not be afraid of talking to a member of staff regarding the issue.

15. Rewarding Good Behaviour, Progress, and Personal Achievement

We strongly believe that progress is based on students taking pride in their personal achievement in a calm and orderly environment built on mutual respect and co-operation. We aim to encourage students to be motivated to achieve their full potential for success.

We have the following systems in place for rewarding students who consistently demonstrate good behaviour, progress, and personal achievement:

- Class Dojo
- Student of the week
- Reward Breakfasts
- Invitations to day trips
- Certificates of Achievement

16. School Nurse

The School Nurse makes frequent and regular visits to the school to undertake, for example, routine sight and hearing tests. The School Nurse will notify you if

she is in any way anxious/concerned about your child's health and is always willing to discuss any issues you may have regarding your child's health.

17. Medication

Following recent guidance please note our revised policy:

1. Pain relief will only be stored on-site and given to students if necessary.
2. Pain relief has a 6 hour window and wherever possible should be given before/after school.
3. Cough medicine should also be given before/after school
4. Even though forms have been signed to say that the school is authorised to administer medication, school will call home to get clarification as there is a need to check if any medications have been given overnight or in the morning, except for asthma and epi-pen medication.
5. The only medications that should be kept on site are: asthma inhalers, epi-pens & epileptic medication.
6. Other than inhalers, students are not allowed to keep any medication on them during school hours.
7. Please note that any out-of-date medication will be given back to parents.
8. Each half term all medication will be given back to parent/carers.
9. Antibiotics will only be given and stored if prescribed 4 times a day – in this scenario antibiotics may need to be stored at school but returned daily.
10. Please note that medication remains the responsibility of parents/carers.

Where applicable medicines must be handed into the School Office where they will be stored safely. Medication should be clearly labelled with the student's name and dosage instructions. The administration remains the student's sole responsibility, reminders will not be given by staff.

Should your son/daughter be diagnosed with either an allergy for which they have been prescribed an epi-pen or diagnosed with asthma for which they have been prescribed an inhaler, this condition must be noted on the data sheet provided for completion by parents at the student's induction to the school. In this scenario, we require parents to provide a spare epi-pen or inhaler as applicable for use in school; your GP will issue this on request. Epi-pens and inhalers will be marked with the student's name and stored in an appropriate secure setting for use if they

are required. Where applicable you will receive written notification of the above requirements in this respect.

School should be made aware if there is a health care plan in place for your child.

Parents should be aware that the school is not responsible for any incidents involving medicine on the way to/from School.

18. Damage to property

Trafford Alternative Education Provision will charge the full financial cost of any repair or replacement work required to remedy any physical or technical damage caused directly by any acts committed by your child within the buildings and grounds of Trafford Alternative Education Provision. Reimbursements should be made in full to Trafford Borough Metropolitan Council within 28 days of receipt of notification of the details of the repair or replacement cost.

19. Fire Drill

If a student notices a fire or smoke during their lesson they are asked to tell a member of staff immediately.

In the event of a fire, everyone must evacuate the school immediately and congregate in the designated area as indicated by school staff. Procedures in the event of a fire are displayed in all areas of the school and fire drills are scheduled to take place during each half term.

20. Accidents

19. Accidents

Accidents, however minor, must be reported to a member of staff, who will attend to the situation accordingly and complete a Trafford Borough Council Accident or Dangerous Occurrence Report Form. Trafford Alternative Education Provision has several trained First Aiders who will be called upon if necessary.

21. Alcohol, Drugs, Smoking, Vaping

If any member of the Trafford Alternative Education Provision staff suspects that a student is under the influence of drugs or alcohol, the parent/carer will be asked to collect the student from the school as they could be considered a hazard in the workplace and could cause problems to them or others. The parent/carer will be

informed immediately and consideration given to informing the Police. A student would be expected to make up the time missed at a later date, in line with the school's time-out policy. No young person is permitted to smoke in or near the school following government legislation the school is a smoke-free environment.

22. Equal Opportunities

Trafford Alternative Education Provision works in complete compliance with Trafford Borough Council 'Equal Opportunities Policy' and has its own Equal Opportunities and Racial Equality Policy.

23. Participation in External Activities/Trips

Before a student participates in any external activities, other than those covered in the Home School Agreement, a consent form detailing any medical problems, medication, or relevant medical history must be completed and signed by a parent/carer. Prior notification detailing such activities will be sent to parents/carers.

24. Confidentiality and Child Protection

The school aims to support young people in every way possible. Students are made aware that 'confidential information may be shared with other staff if that is seen to be beneficial to their wellbeing...

25. Compliments, Comments, and Complaints

If you have a compliment, comment, or complaint, please contact your child's designated Pastoral/Form Tutors in the first instance. If you have a complaint, and contact with the Form Tutor has not resolved the issue, please contact Jasmin Boyes, Deputy Headteacher, or Hayley Blane, Lead Teacher for Trafford High School.

26. Positive Handling Strategies

Trafford Alternative Education Provision complies with Trafford Council's Physical and Positive Handling Policy. This means that only in situations involving risk of harm to a person or in the event of criminal damage would staff be prepared to

physically intervene. All staff are trained in de-escalation and aversion techniques.

27. Data Protection (GDPR) and data sharing
