4. Pastoral Information

TAEP is a community in which behaviour is based on praise, mutual respect, care and consideration for others. The class teacher and teaching support assistant who know each child well are responsible for the care of the students in their class. High level behaviour problems are referred to the Executive Headteacher, Deputy Headteacher or Associate Deputy, in consultation with the Form Tutor. Trafford Alternative Education Provision has developed a School Expectations Code which is based on the behaviours we expect. A consistent approach to behaviour management and misbehaving keeps problems to a minimum.

The values, standards and attitudes of the school community are made clear to the students by example and discussion. If a pupil consistently displays persistent anti-social behaviour, a meeting will be arranged between the school and parents/carers.

Fixed term exclusion may be imposed in rare cases of persistent and serious indiscipline

Only the Executive headteacher, or acting Executive headteacher, can exclude a pupil from school. A permanent exclusion will be taken as a last resort.

THS Pupils are not allowed to have their mobile phones with them in the class and lessons under any circumstance. 12. Attendance and Punctuality

Making sure your son/daughter goes to school every day is essential for them to achieve both academic and personal success.

- Authorised Absence

Only school can authorise a child's absence. If your child is too ill to attend lessons, please contact school on 0161 912 1479 before 8.45am and contact the school for every day of absence. Failure to attend without notification or a valid reason is recorded as an unauthorised absence. If the school believes that non-attendance has become an issue the Pastoral Officer will be in touch with you.

Any appointment e.g. dentist, should be made outside of lesson times. However, if there is a need to attend an appointment during lesson time, this will count as an authorised absence provided confirmation is received from a parent/carer.

- **Holidays during Half Term**

Parents have no lawful right to take their children on holiday during school term-time. It interrupts the flow of learning for the child. The school will only allow it in exceptional circumstances. An application in writing must be made at least four weeks prior to the proposed holiday for the school to consider. Failure to submit an application will result in a Penalty Notice.

- Tips for Good Attendance

You must make sure your child attends school **on time every day**. It is their right and **your responsibility**. The following advice will help:

- Make sure that your child understands the benefits of regular attendance and set them a goal.
- If your child is too ill to go to school, tell the school as soon as possible on the first day of absence and contact the school every day of absence.
- Make all appointments for the doctor, dentist, optician etc. after school hours or during the school holiday where possible.
- Punctuality

All pupils must arrive in school for 8.45am for registration. Pupils who arrived after 9.00am will be given a late mark.

13. Dealing with Bullying

We want everyone at Trafford Alternative Education Provision to feel safe and secure. No one should feel threatened or unsafe in any way. Bullying can take the form of verbal abuse, physical abuse or abuse using social media.

As a parent we ask that you:

- Look for unusual behaviour. For example your child may suddenly not wish to attend school or not complete work to their normal standard.
- Always take an active role in your child's education. Enquire how their day has gone, who they have spent their time with, how lunchtime was spent etc.
- If you feel that your child may be a victim of bullying behaviour inform school immediately. Your complaint will be taken seriously and appropriate action will follow.

- Make sure that your child knows that there is a school policy concerning bullying and that they need not be afraid of talking to a member of staff regarding the issue.

14. Rewarding Good Behaviour, Progress and Personal Achievement

We strongly believe that progress is based on students taking pride in their personal achievement in a calm and orderly environment built on mutual respect and co-operation. Our aim is to encourage pupils to be motivated to achieve their full potential for success.

We have the following systems in place for rewarding pupils who consistently demonstrate good behaviour, progress and personal achievement:

- Every pupil has a Reward Booklet
- Pupil of the week
- Reward Breakfasts
- Invitations to day trips
- Certificates of achievement

15. School Nurse

The School Nurse makes frequent and regular visits to the school to undertake, for example, routine sight and hearing tests. The School Nurse will notify you if he is in any way anxious/concerned about your child's health and is always willing to discuss any issues you may have regarding your child's health.

16. Medication

Following recent guidance please note our revised policy:

1. Pain relief will only to be stored on site and given to students if absolutely necessary.
2. Pain relief has a 6 hour window and wherever possible should be given before/after school.
3. Cough medicine should also be given before / after school
4. Even though forms have been signed to say that the school are authorised to administer medication, school will call home to get clarification as there is a need to check if any medications have been given overnight or in the morning, with the exception of asthma and epi-pen medication.
5. The only medications that should be kept on site are: asthma inhalers, epi-pens & epileptic medication.

6. Other than inhalers, pupils are not allowed to keep any medication on them during school hours.
7. Please note that any out of date medication will be given back to parents.
8. Each half term all medication will to be given back to parent/carers.
9. Antibiotics will only to be given and stored if prescribed 4 times a day – in this scenario antibiotics may need to be stored at school but returned daily.
10. Please note that medication remains the responsibility of parents/carers.

Where applicable medicines must be handed into the School Office where they will be stored safely. Medication should be clearly labelled with the pupil's name and dosage instructions. Administration remains the pupil's sole responsibility, reminders will be not be given by staff.

Should your son/daughter be diagnosed with either an allergy for which they have been prescribed an epi-pen or diagnosed with asthma for which they have been prescribed an inhaler, this condition must be clearly noted on the data sheet provided for completion by parents at the pupil's induction to the school. In this scenario, we require parents to provide a spare epi-pen or inhaler as applicable for use in school; your GP will issue this on request. Epi-pens and inhalers will be clearly marked with the pupil name and stored in an appropriate secure setting for use in the event that they are required. Where applicable you will receive written notification of the above requirements in this respect.

School should be made aware if there is a health care plan in place for your child.

Parents should be aware that the school is not responsible for any incidents involving medicine on the way to/from School.

17. Damage to property – wilful damage

Trafford Alternative Education Provision will charge the full financial cost of any repair or replacement work required to remedy any physical or technical damage caused directly by any acts committed by your child within the buildings and grounds of Trafford Alternative Education Provision. Reimbursements should be made in full to Trafford Borough Metropolitan Council within 28 days of receipt of notification of the details of the repair or replacement cost.

18. Fire Drill

If a pupil notices a fire or smoke during their lesson they are asked to tell a member of staff immediately.

In the event of a fire, everyone must evacuate the school immediately and congregate in the designated area as indicated by school staff. Procedures in the event of a fire are displayed in all areas of the school and fire drills are scheduled to take place during each half term.

19. Accidents

Accidents, however minor, must be reported to a member of staff, who will attend to the situation accordingly and complete a Trafford Borough Council Accident or Dangerous Occurrence Report Form. Trafford Alternative Education Provision have a number of trained First Aiders who will be called upon if necessary.

20. Alcohol, Drugs and Smoking

If any member of the Trafford Alternative Education Provision staff suspects that a pupil is under the influence of drugs or alcohol, the parent/carer will be asked to collect the pupil from the school as they could be considered a hazard in the work place and could cause problems to them or others. The parent/carer will be informed immediately and consideration given to informing the Police. A pupil would be expected to make up the time missed at a later date, in line with the school's time-out policy. No young person is permitted to smoke on or near the school. In accordance with government legislation the school is a smoke free environment.

21. Equal Opportunities

Trafford Alternative Education Provision works in complete compliance with Trafford Borough Council 'Equal Opportunities Policy' and has its own Equal Opportunities and Racial Equality Policy.

22. Participation in External Activities/Trips

Prior notification detailing such activities will be sent to parents/carers.

23. Confidentiality and Child Protection

The school aims to support young people in every way possible. Pupils are made aware that 'confidential information' may be shared with other staff if that is seen to be beneficial to their wellbeing...

24. Compliments, Comments and Complaints

Re: Changes to Data Protection Law

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, Trafford Alternative Education Provision are the 'data controller' for the purposes of data protection law.

Our data protection officer is Susan Carlton (see 'Contact us' below).

The personal data we hold

Personal data that we may collect, use, store and share (when appropriate) about pupils includes, but is not restricted to:

- Results of internal assessments and externally set tests
- Pupil and curricular records
- Characteristics, such as ethnic background, eligibility for free school meals, or special educational needs
- Exclusion information
- Details of any medical conditions, including physical and mental health
- Attendance information
- Safeguarding information
- Details of any support received, including care packages, plans and support providers
- Photographs
- CCTV images captured in school

We may also hold data about pupils that we have received from other organisations, including other schools, local authorities and the Department for Education.

- Assess the quality of our services
- Administer admissions waiting lists

Our legal basis for using this data

We only collect and use pupils' personal data when the law allows us to. Most commonly, we process it where:

- We need to comply with a legal obligation
- We need it to perform an official task in the public interest

Less commonly, we may also process pupils' personal data in situations where:

- We have obtained consent to use it in a certain way
- We need to protect the individual's vital interests (or someone else's interests)

Where we have obtained consent to use pupils' personal data, this consent can be withdrawn at any time. We will make this clear when we ask for consent, and explain how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' personal data overlap, and there may be several grounds which justify our use of this data.

Collecting this information

While the majority of information we collect about pupils is mandatory, there is some information that can be provided voluntarily.

Whenever we seek to collect information from you or your child, we make it clear whether providing it is mandatory or optional. If it is mandatory, we will explain the possible consequences of not complying.

How we store this data

We hold data for no longer than necessary. We keep personal information about pupils while they are attending our school. We may also keep it beyond their attendance at our school if this is necessary in order to comply with our legal obligations. Our record retention schedule/records management policy sets out how long we keep information about pupils. *To request a copy of the record retention schedule/records management policy please contact the data protection officer.*

National Pupil Database

We are required to provide information about pupils to the Department for Education as part of statutory data collections such as the school census.

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

Re: changes to data protection law

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about you.

We, Trafford Alternative Education Provision, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Susan Carlton (see 'Contact us' below).

We are required to provide information about you to the Department for Education (a government department) as part of data collections such as the school census.

Some of this information is then stored in the [National Student Database](#), which is managed by the Department for Education and provides evidence on how schools are performing. This, in turn, supports research.

The database is held electronically so it can easily be turned into statistics. The information it holds is collected securely from schools, local authorities, exam boards and others.

The Department for Education may share information from the database with other organisations which promote children's education or wellbeing in England. These organisations must agree to strict terms and conditions about how they will use your data.

You can find more information about this on the Department for Education's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) if you have any questions about the database.

Once you reach the age of 13, we are legally required to pass on certain information about you to Trafford local authority or youth support services provider in your area, as it has legal responsibilities regarding the education or training of 13-19 year-olds.

This information enables it to provide youth support services, post-16 education and training services, and careers advisers.

Your parents/carers, or you once you're 16, can contact our data protection officer to ask us to only pass your name, address and date of birth to Trafford local authority or youth support services provider.
